CROMLEYBANK ELDORADO — This is a son of the noted Cruggleton Prince Bob, the bull that has so ably perpetuated the Cruggleton Perfect line. The dam of this bull is Naemoor Jasper whose daughters and granddaughters have proved to be some of the greatest breeding cows of all times in Scotland. Buyers showed a strong liking for his sons and daughters in our last sale and we are proud of the fine reports we have received from the same buyers since. He is one of the best headed sires of the breed and the uniform sire of both bulls and heifers. We used him for several calf crops and then sold him to Ben Studer at Wesley, Iowa. Here is a wonderful chance to buy his sons and daughters at your own price.

MAXINE ROSEWOOD 119th, is probably the hardest looker we have on the farm. But we can honestly say we don't have any culls. This cow will produce with the best of them. The reason for her being this is she has produced her last four calves in 3 years and 6 months. A July 16th 1953 heifer from her is in the sale. Her June 1, 1954, bull calf sold privately in August for \$400, and now she has a heifer at foot April 9, 1955. This heifer is definitely a show heifer. We reserve the right to sell or withdraw her for a show heifer. We may take a show herd to Denver. This cow by a son of a Perth Champion. Her dam by a son of a Perth Champion. The calf by Edellyn Royal Leader 98th, is a blood sister to our Iowa Royal Champion in 1953. Cow bred to Broadlawn Outlook 11th, July 15gh, 1955.

ROAN LADY 30th -- This cow was also bought for a replacement cow because she had an outstanding yearling heifer by Schaner Royal Leader 8th, top bull in Omaha in '53. Bob thought the March 31 heifer at foot was a full sister, but later found she is by Leaders' Welcome, by Edellyn Royal Leader 45th. Pasture bred May or June to the Omaha top, Schaner Royal Leader 8th. Calfhood vaccinated.

DEPENDABLE CATTLE -- A Blend Of The Best Bloodlines ...

Here is one of the sale season's last opportunities to buy some really top Shorthorn cattle. If you have carefully studied this catalog you will note that it is a choice offering of cattle from 4 of Iowa's top herds and from previous buying experience, buyers over a wide section know that the quality in these sales at Carroll have been outstanding.

In the Leiting sale at Carroll in September, 1954, cattle sold to top buyers as far away as Florida. The outstanding record of those cattle in their new owners' hands since that time is further proof that this is a real source of supply.

If you are needing herd bulls, cows with calves at foot, or bred and open heifers, here is the right spot for you to be on Wednesday, December 14, and it is a sale that is easily reached from any section of the country.

If you would like additional information on this offering feel free to write to any of the consignors or to me and we'll do our best to answer your questions promptly and honestly.

Again, remember the date, it's *Wednesday, December 14*, and we'll look forward to seeing a lot of our Shorthorn friends in Carroll, Iowa on that date.
